Re: Soda Springs Site Inspection Report

Dear Mr. Geddes:

We wish to thank you for your comments. Enclosed is the final draft of the site inspection report. The report has been amended to incorporate Monsanto's comments where appropriate. All factual inaccuracies and misrepresentations that were brought to our attention have been changed pursuant to your comments. Portions of the report which remain unchanged reflect current U.S. Environmental Protection Agency protocol for site inspection report content and format.

Your comments are appreciated. I can be telephoned at (206) 442-7215 if you have any questions.

Sincerely,

William J. Glasser, R.S., M.P.H.
